Curriculum Learning

Complete 1 activity from the curriculum home learning (10 dojos).

Activity 1 – Art (once you have done this in school!)

Using the grid technique we have used in school, draw your own (or a family member's) face to ensure you get the correct proportion size of their facial features!

Activity 2 - History

Create an informative poster about how one became a monarch in the Middle Ages. This could include aspects around gender, been born onto the throne and why royal families needed multiple children to secure their throne!

Activity 3 - Science

Design an experiment that demonstrates that light travels in straight lines. This can be done using some creative ways that you learn about in school!
