

Over the course of this half term, please pick any of the tasks below to complete with your child at home each week. Please don't feel that the work has to always be recorded, the conversation you will have with your child about these topics is the most important element but we would love to see what you've been up to on Tapestry. Please don't hesitate to ask if you have any questions surrounding home learning.

Personal, social and emotional development	Physical development	Communication and language	Literacy	Maths	Understanding of the world	Expressive art and design
Tell somebody in your house ways which we can keep ourselves healthy. Can you write a list?	Can you develop your precision and accuracy when playing games involving a ball e.g. tennis, football...	Can you try a new fruit or vegetable- how can you describe the taste? Which is your favourite fruit and vegetable and why?	Can you design and create your own costume for World Book Day? Who is your favourite character and why?	Can you learn all about numbers 9 and 10. Can you represent these numbers with your toys, show these numbers on your fingers, spot these numbers in your house/ street, order numbers from 1-10...	Can you plant something at your house/in the garden? Keep a diary to show the changes over time.	Can you create your own song or dance to a piece of music?
